The WICPA thanks you for your participation in the CPAC/LIF Campaign for Political Awareness.

Participation in CPAC/LIF enables the WICPA to educate lawmakers about state business issues and raise money for candidates to elected office. Through its public policy efforts, the WICPA keeps a close watch on CPAs' interests and concerns. Contributing money through the WICPA Campaign for Political Awareness is also a great way to improve the image and visibility of CPAs. We appreciate your commitment to the profession and thank you for your support.
