

# Reading makes ¢ents

## Read-A-Thon

SPONSORED BY THE WISCONSIN INSTITUTE  
OF CERTIFIED PUBLIC ACCOUNTANTS

Wisconsin CPAs are coming to classrooms this April to help students get smart about money! Invite a CPA to your classroom to read a financial literacy-themed story during the month of April.

CPAs will choose a book that is appropriate for the age level of your students. See our recommended reading list, [www.wicpa.org/readinglist](http://www.wicpa.org/readinglist)

### CPAS WILL BRING:

- Prize for each student
- Handout geared to parents on teaching kids to save
- Financial literacy curriculum for you!

All you need to do is work out a day, time and details with your CPA!
